

CITY OF GOODLETTSVILLE

COMMUNITY CLEANUP EVENT

SEPTEMBER 8, 2018

SPONSORED BY C.E.C. (CIVIL & ENVIRONMENTAL CONSULTANTS), HOSTED BY GOODLETTSVILLE

THANKS TO ONE AND ALL for the outstanding event success through your continued participation on our annual stream/community cleanup events. This Fall we enjoyed a great turnout with 19 volunteers!

The community/stream cleanup event included volunteers from OHM, CEC, local residents and employees from Goodlettsville to assist with litter and debris removal! All volunteers were invited to a free lunch provided by C.E.C. for their hard work at the local Ryan's Buffet in Rivergate. This provided us the opportunity to network and fellowship with each other and to discuss future events and improve our custodial service to the residents through clean water and community participation.
